

Industrial Electrician

4x10 Day Shift Roster
Interesting and Varied Work
Pulp and Paper Industry

We are seeking a New Zealand registered Industrial Electrician to join our team at the Kinleith Mill. Applicants will have industrial experience, a strong focus on customer service and a commitment to performing high quality work.

The successful candidates will have a positive ("can do") attitude, be a team player and have a strong health and safety ethic. Experience working in the Pulp and Paper industry would be an advantage.

Key responsibilities for this role include:

1. Active participation in workshop Health & Safety initiatives.
2. Ensuring that the PM's are done efficiently and effectively
3. Identifying and implementing cost reduction opportunities
4. Identifying and implementing reliability improvement opportunities
5. Supporting the KPI's in the BU's

All applicants must hold a current NZ practicing license.

Please send your CV by Friday 17 April 2015 to
cameron.lucich@quantservice.com

About Quant

Quant is a global leader in industrial maintenance. For over 25 years, we have been realizing the full potential of maintenance for our customers. From embedding superior safety practices and building a true maintenance culture, to optimizing maintenance cost and improving plant performance, our people make the difference. We are passionate about maintenance and proud of ensuring we achieve our customers' goals in the most professional way.

Prior to 2015 we were known as ABB Full Service. Today we employ more than 2,500 people all over the World.
